

Mohawk Valley EDGE (Economic Development Growth Enterprises Corporation) is a vertically integrated economic development organization that can assist your business to locate, grow and prosper in Oneida and Herkimer Counties, in the center of New York State.

EDGE coordinates the area's economic development organizations to streamline projects.

EDGE can help your company find a suitable building or shovel-ready site to construct a new facility for manufacturing, R&D, distribution, office or any other industrial project.

EDGE promotes the region's work force, quality of life, infrastructure, sites, and everything else the region has to offer businesses, site selection specialists and industrial developers.
